

Ruoli Operatori

Per ogni operatore del partenariato è possibile assegnare un ruolo. Il menù in alto permette di effettuare le modifiche richieste.

The screenshot shows a web application interface for managing operator roles. The interface is divided into three main sections:

- Left Sidebar (MENU):** Contains a user profile section for "rossini mario" and a "Gestione AGFA" section with a tree view. The "Partenariati" item is selected.
- Top Navigation Bar:** Displays the current path "Partenariati - / Progetti / Ruoli Operatori > UPA SERVIZI SRL > Verdi Carlo >". It includes action buttons: "Indietro", "Avanti", "Nuovo", "Modifica", "Salva", "Annulla", "Elimina", and "Help". Below this is a tabbed interface with tabs for "Partenariati", "Sedi Formative", "Operatori", "Ruoli Operatori" (selected), and "Asset Operatori".
- Main Content Area:** Features a table with two columns: "Ruolo" and "Abilitato". The table has two rows: one for "ente formatore del partenariato" with the value "Si" in the "Abilitato" column, and another empty row.
